ABU DHABI EQUESTRIAN CLUB RIDING SCHOOL

The Riding School began over a decade ago with only 10 Arabian horses and two ponies. Today, the school boasts more than 90 horses and ponies trained to all abilities. The School is managed by a staff of qualified instructors who teach lessons that are designed for everyone, from the novice to the advanced equestrian, and can be taken either privately or in groups. Each rider follows a program whereby he or she works toward attaining a certificate of achievement in certain competencies, according to the level the rider is working towards. In addition to lessons in horsemanship, the Riding School also offers specialized instruction for those students who aspire to compete in show jumping and endurance riding. And to supplement regular lessons, students participate in competitions and desert trail rides.

Thank you Abu Dhabi!
